Admission Policy

On Test Day

We know that any test can be a stressful experience, but you can reduce your anxiety by preparing and learning what to expect on test day.

Be on Time

- You must arrive at least 30 minutes before the start time of your test. On arrival you will need to complete the necessary sign-in procedures.
- If you are late you may be denied entry to the test centre and your test fee will not be refunded.

Bring Correct Identification

- You must provide your **valid, non-expired ID** to sit for PTE Academic. **Please note, that passport is the only acceptable form of ID in most countries.**
- The name on your ID must **exactly** match the name used when booking the test.
- If you do not have your passport due to an ongoing visa application, you will need to request it back in order to present on the day of your test.
- If you do not have a passport, please review the ID requirements as you may be able to provide an alternative form of identification. [Learn more](#).
- For security reasons, non-matching or expired ID will prohibit entry to the test centre. Test takers that fail to provide acceptable ID, or ID that matches their booking, will be turned away at the test centre and will forfeit their test fee.

At the Test Centre

- You must read and agree to the 'PTE Academic Test Taker Agreement' which will be provided to you when you arrive. Failure to comply may result in your appointment being ended early, cancelation of your results, and/or forfeiture of your test fee.
- The Test Administrator will check your ID and take your photo, palm vein scan and signature.

- Personal items are not allowed into the test room including bags, books, notes, mobile phones, pagers, laptops or other personal computers, wallets and watches or any other jewellery thicker than ¼ inch (1/2 cm). However, we do provide secure, locker storage outside of the testing room.
- We recommend you do not wear a mask during the PTE Academic test as any distortion of the sound may impact your speaking score.

Where selected by your Test Sponsor, you agree that Pearson VUE will collect your palm vein pattern at the test center on the day of your exam and retain that information, to the extent permitted by law. Your palm vein scan will be used for the purposes of identification verification on the day of your test and on your future test days, detecting and preventing any fraud, and maintaining the security and integrity of the testing program. For more information on Pearson VUE's policy for use and retention of personal data including biometric data like palm vein scans, please see our [Privacy and Cookies Policy](#). Your agreement to these Testing policies includes agreement to the Privacy and Cookies Policy.

Re-schedule Policy

To reschedule an appointment, sign into your myPTE account at www.pearsonpte.com and click the 'Reschedule' button on your dashboard. When rescheduling your test, you will lose your current appointment date and time and it will be replaced by your new appointment date and time.

Alternatively, you may also reach us by phone: [Contact us](#)

- If your test is more than 14 days away, you may reschedule your test at no charge.
- You may only reschedule a single test appointment a maximum of 6 times. If you have already rescheduled your booked test appointment 6 times, the 'Reschedule' button will not be displayed on your myPTE dashboard.
- If your test is in 14 days or less, you cannot reschedule it and the 'Reschedule' button will not be displayed on your myPTE dashboard. In this scenario, you can only cancel your test and book a new one.

Cancellation Policy

If you no longer wish to take your booked test, you may cancel it by clicking the 'Cancel' button on your myPTE dashboard.

We highly recommend that you do this as soon as possible to reduce the cancellation fee.

- If your booked test is more than 14 days away at the point you cancel, 100% of your test fee will be refunded to you.
- If your booked test is between 14 and 8 days away at the point you cancel, 50% of your test fee will be refunded to you.
- If your booked test is 7 days or fewer away at the point you cancel, you will receive no refund.

Special consideration

If you are unable to attend the test center on the day of your test because of illness or a family emergency, Pearson may agree to a one-off reschedule, free of charge. See

- You can only book one test at a time.
- Tests can be booked up to 6 months in advance.
- You can take the test up to 12 times within a 12-month window.
